BOERHAVE'S HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR DYSPEPSIA.

DISEASE OF THE KIDNEYS, LIVER COMPLAINT, WEAKNESS OF ANY KIND,

FEVER AND AGUE, And the various affections consequent upon a disorder STOMACH OR LIVER, TUCH AS Indigestion, Acidity of the Stomach, Colleky

Pains, Heartborn, Loss of Appetite, Despondence, Costiverers, Blind and Blording Piles. In all Nervous Rheumatic, and Neuralgle Affections, it has, in numerous instances, proved highly beneficial, and in others effected a This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of the great success in most of the European States, its introduction into the United States was intended more especially for those of our Satherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful n.edloinal virtues must be acknowledged It is particularly recommended to those persons whose onstitutions may have been in paired by he continuous use of ardent soir ts, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health of vigor in the system. NOTICE - Wheever expects to find this a heverage will be disappointed; but to the sick, the weak and low spirited

it will prove a grateful aromatic cordial, possessed of singular remedial properties. CAUTION. The great popularity of this delightful aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerbave's Holland Bitters a fair trial, One hottle will convince you how infinitely superior it is Sold at \$1 per bottle, or six bottles for \$5, by the
